Thank you

FOR PARTNERING WITH US!

Dear Friends and Partners of Options Now,

As we minister in 2026, my heart is overflowing with gratitude as I reflect on all that the Lord accomplished through Options Now in 2025. I am truly overwhelmed by God's faithfulness and by the generosity, prayers, and steadfast support of each of you who partner with us in this lifesaving, gospel-centered work.

While statistics help us understand the scope of our impact, they only begin to tell the story. Numbers can never fully measure the hearts captured, the fears relieved, the prayers answered, and the lives transformed when hope takes root. Still, they serve as reminders of the Lord's goodness.

In 2025 alone, we know that at least 236 lives were chosen by women who initially came to us abortion-minded. Each number represents a precious life preserved and generations impacted. This is not the result of human effort alone, but of the Lord working powerfully through His people.

Each life we have the privilege to serve reminds us of God's incredible care for and value of His creation. Scripture affirms this beautiful truth: "All things were made by him; and without him was not anything made that was made" (John 1:3), and "God saw all that He had made, and behold, it was very good" (Genesis 1:31a).

Indeed, every life that comes through our doors is precious to Him, and we are deeply honored to walk alongside the Lord—and alongside you—in protecting and cherishing it.

With heartfelt gratitude,

Kelly Yates
